CORONAVIRUS COVID-19 UPDATE

MESSAGE FROM PRESIDENT McGOLDRICK

All Unit Meetings in January Cancelled

IBEW Sixth District Vice-President David Ruhmkorff has sanctioned, per the IBEW Constitution, IBEW Local 15 President - Business Manager Terry McGoldrick's request to cancel IBEW Local 15's eight monthly Unit Meetings in January in order to reduce person-to-person contact and slow the spread of Coronavirus and COVID-19.

Throughout these challenging times, IBEW Local 15 members have been reliably supplying and delivering electricity. We have continuously discussed safety with our employers.

Please protect yourself, your family, friends and coworkers. Maintain social distance, wear masks, wash your hands, avoid touching your face. If you feel sick, do not come to work, call your doctor.

Thanks to each and every IBEW Local 15 member for your work during this ordeal.
