2010 UNION ELECTION

Election of Officers & Delegates to the International Convention

In the spirit of the upcoming election I would like to request candidates and their supporters to be respectful of their opponents. Do not remove any opponents campaign material from the designated union boards.

In addition, as a reminder, if you have a website or other types of campaign literature, it must comply with both federal trademark law and with the Labor-Management Reporting and Disclosure Act. The IBEW logo and the letters "IBEW" are registered marks owned by the International Brotherhood of Electrical Workers. Federal trademark law essentially prohibits the use of a registered mark if use of the mark is likely to cause confusion – if, for example, the use IBEW logo or the letters "IBEW" might create the impression that a website or other types of campaign literature were sponsored by the IBEW.

If you have any questions or would like to speak to me, I can be reached at (815) 378-7062 . If I am not available at the time of your call please leave me a voicemail with your name, number and a brief description for your call and I will get back to you.
